

Student Guidelines

- 1.** All students are required to report on time for the test. Timely arrival is essential to begin the test without any disruptions.
- 2.** Kindly bring your working laptop along with its charger. Ensure that your laptop is fully charged or connected to power throughout the test.
- 3.** Use the updated versions of "Chrome" browsers only for taking the test. Outdated browsers may cause compatibility issues.
- 4.** Before starting the test, ensure that your system is free of cookies and cache to prevent any technical issues during the test.
- 5.** Remove or disable all browser extensions before attending the test. Some extensions may interfere with the test-taking process.
- 6.** Configure your browser settings to block pop-ups during the test to prevent any distractions or disruptions.
- 7.** Do not open any other windows or applications on your computer during the test. Keep your attention solely on the test content.
- 8.** All students are required to bring a valid identity proof for verification purposes.
- 9.** Any use of unfair means during the test will result in serious consequences, including being reported for a case of UMC.
- 10.** A mock test has been available in the accounts of all the students. So all the students are required to attempt it, before appear for the continuous assessment.
